

TIME FOR A HAIRCUT

1. We've arrived at the salon to visit Sarah and Susie. They are looking forward to seeing us today for a hair cut.

2. It's ok if you feel nervous about going to have your hair cut. There are faces and things you might not have seen before. Don't be scared though, there is nothing that you need to worry about inside the salon.

3. The first thing you will see are waves and smiles from Sarah and Susie who want you to feel happy about having your hair done. You can take all the time you need to feel comfortable. Maybe you can have a look at our toy room or watch some other people having their hair done too.

4. You can sit and watch your hair being cut in the mirror. Tell us all about your friends at school, your favourite sports to play or maybe you might like to sit quietly. Once we start your hair cut, it doesn't take very long to complete.

5. All finished! Well Done! You have an awesome new hair cut. High Fives and smiles all round.

6. It's time to go and tell all your family and friends how well you did at the hairdressers today. Make sure you come back and visit us soon for another hair cut! We'd love to see you again.
